

Collection Eleganza

Durch und durch elegant.

Noi facciamo il possibile per creare un ambiente elegante.

We provide very elegant surroundings.

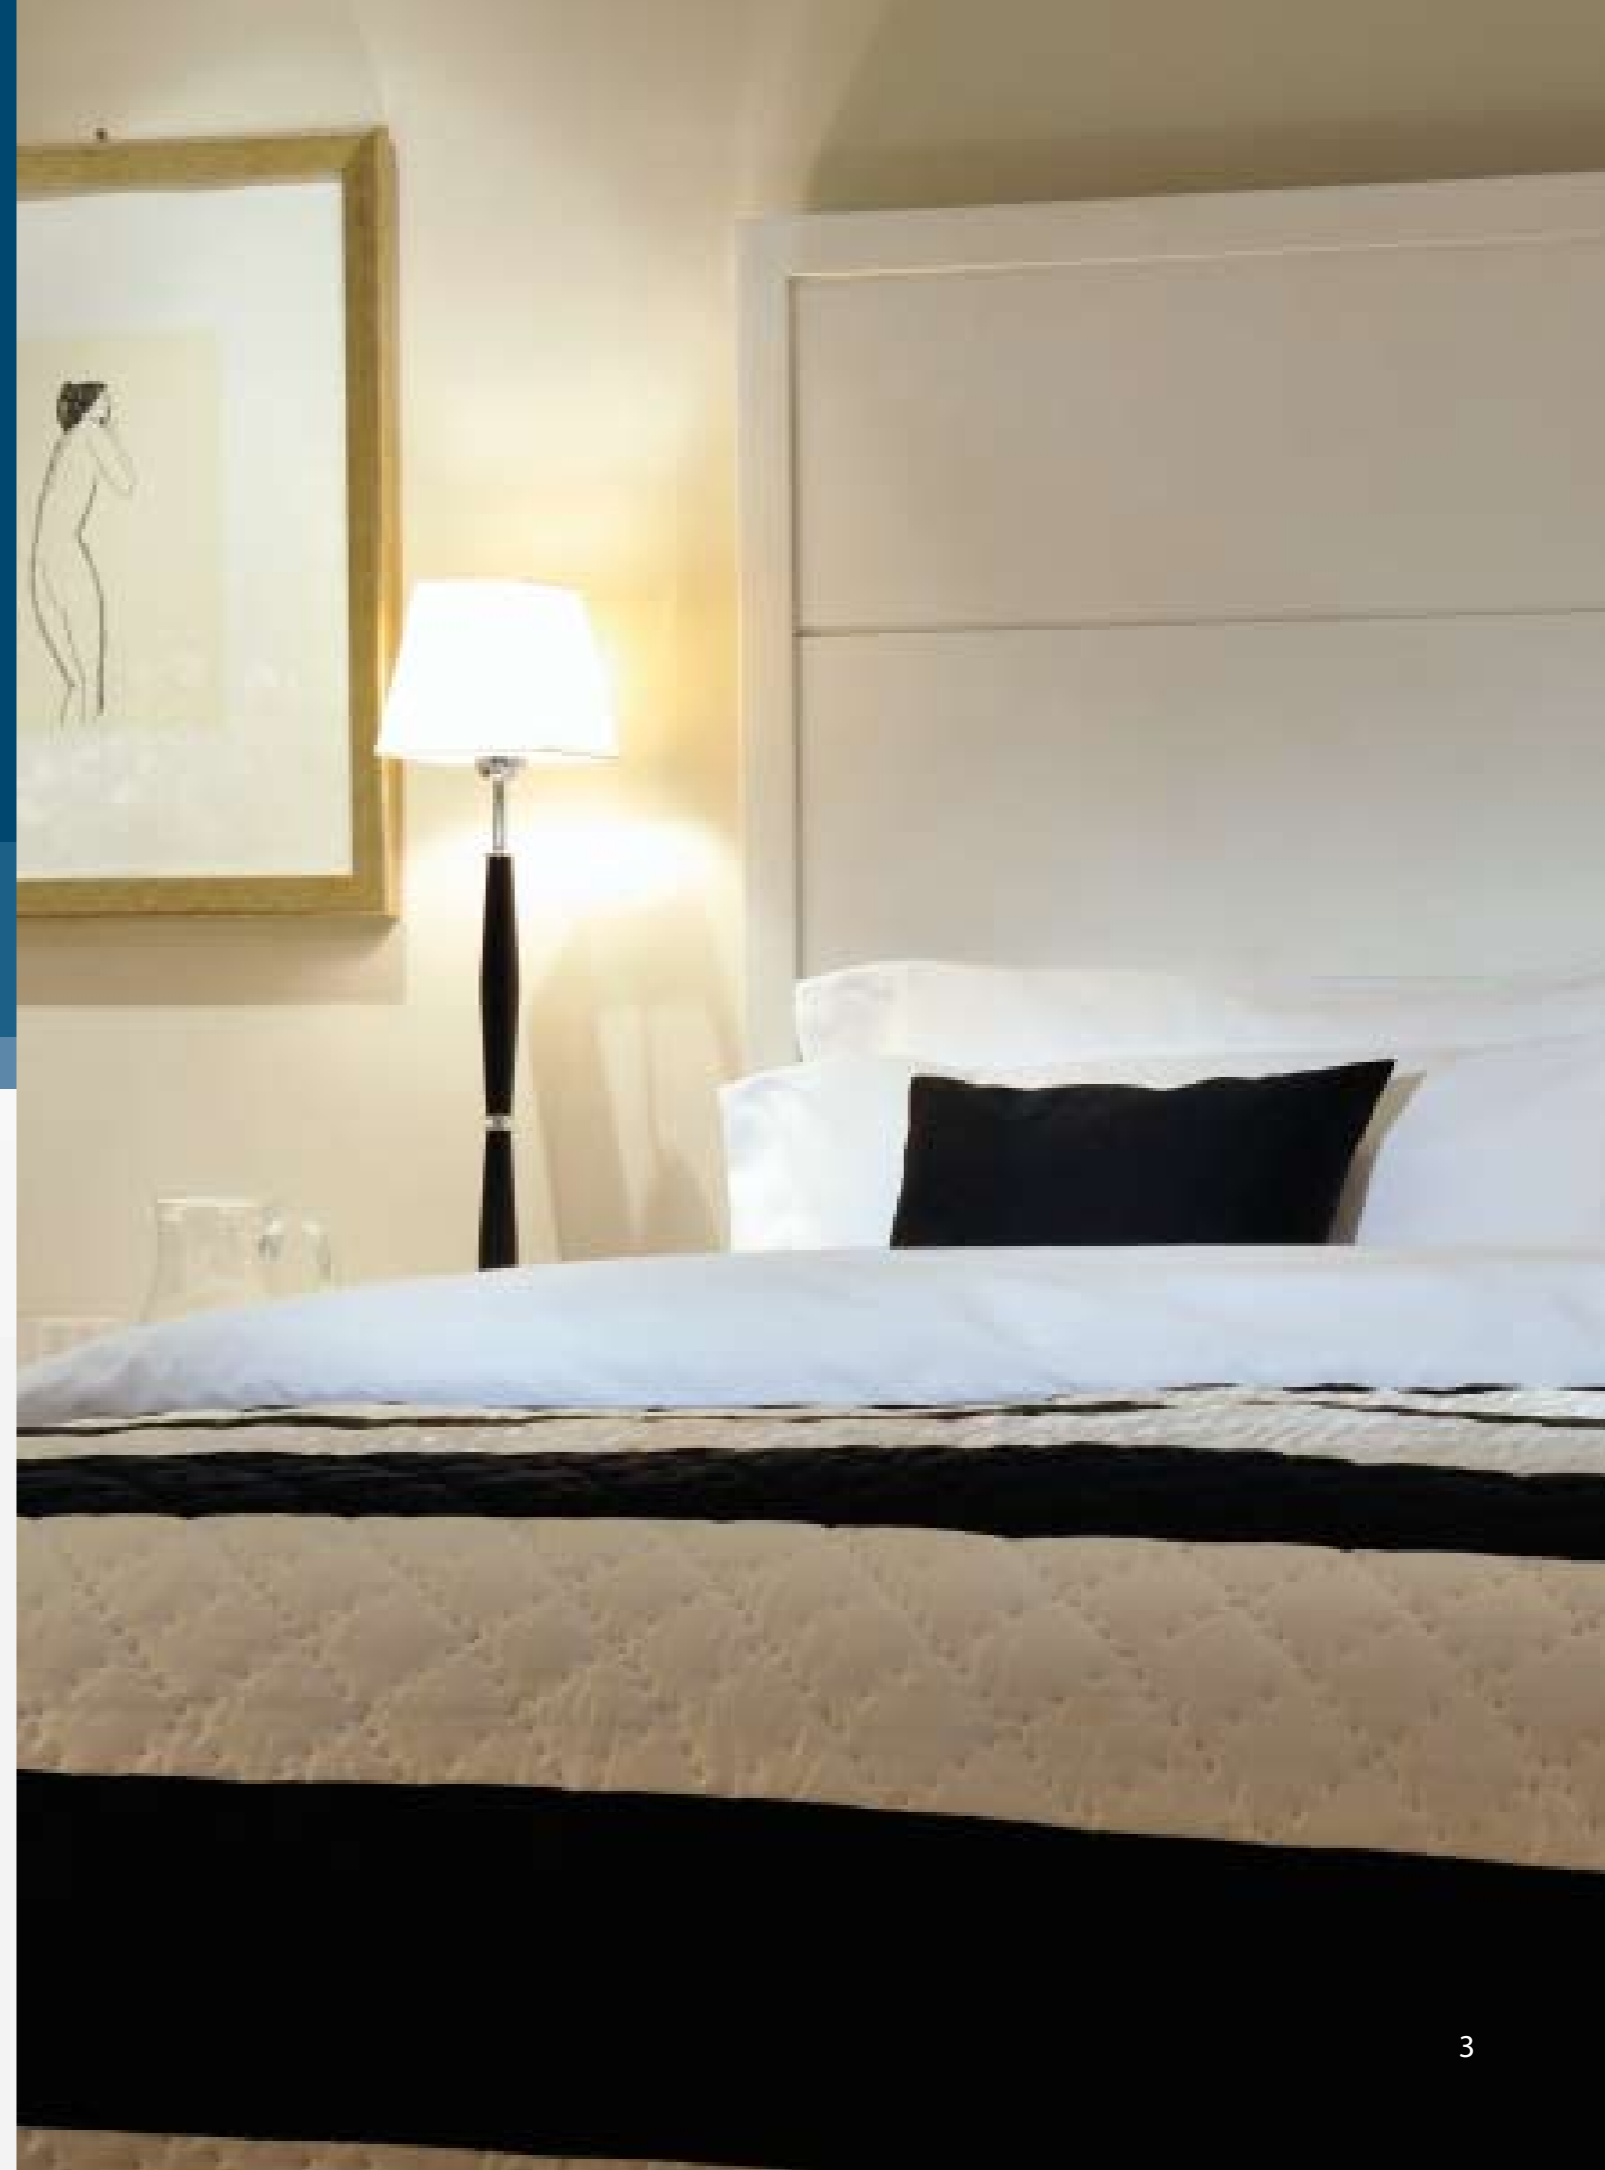

Wie der Name schon verheißt, steht die Kollektion für eine neue, moderne Eleganz: Natürlichkeit, zeitlos und ganz in der Tradition des „made in Italy“.

Das Besondere an der Collection Eleganza ist nicht nur ihre Vielseitigkeit, sondern auch die handwerkliche Verarbeitung und die liebevollen Detaillösungen, wie etwa die querverlaufende Holzmaserung an Türen. Die Möbel können durch verschiedene Details und einer großen Auswahl an Oberflächenfarben personalisiert werden und so an die individuellen Bedürfnisse des Kunden angepasst werden.

Come si può dedurre dal nome, la Collezione è sinonimo di un'eleganza nuova, moderna e naturale che, nel massimo rispetto della tradizione "made in Italy", offre la possibilità di creare ambienti sempre attuali e al passo con i tempi soddisfacendo le più diverse esigenze abitative.

La particolarità della Collezione Eleganza è data, oltre che dalla sua varietà di prodotti, anche dalle lavorazioni artigianali che trasmettono l'amore per i dettagli, vedi ad esempio la venatura trasversale delle ante, delle spalle e dei fianchi. I singoli modelli si possono facilmente personalizzare e sono disponibili in una grande scelta di finiture per essere adattati, in questo modo, alle esigenze individuali del cliente.

As the name already promises, the collection stands for a new, modern elegance: one that is natural, timeless, and fully in keeping with tradition of "Made in Italy". What is so special about the Collection Eleganza is not just its versatility, but also its handcrafted creation and the lovingly applied solutions, such as the cross wood grain on doors. The furniture can be personalized through various details and a large selection of finish colours, and thus it can be adapted to the individual needs of the customer.
